

Potential CCSP Provider Information

>>>Pre-Application CCSP Provider Eligibility Requirements

1. Provider agency must have the legal right to conduct business in the State of Georgia (i.e., current business license or other proof of legal authorization).
2. Must have current, non-restrictive license, if required by CCSP service, issued by the Georgia Department of Community Health, Healthcare Facility Regulation Division (HFR).
3. Must maintain business premises in Georgia that are appropriate to conduct CCSP business.
4. Must have been in business in the service for which application is being made a minimum of 12 consecutive months prior to making application.
5. Must attend CCSP Provider Pre-Enrollment and New Provider Training prior to enrollment in the CCSP. Participation is by DAS CCSP invitation only.
6. Must mail to CCSP the completed *Department of Community Health Medicaid Provider Enrollment Application* and the *CCSP Medicaid Provider Enrollment Application*. Both CCSP and DCH must approve enrollment of a provider agency application.
7. If applicable, provider agency must have a satisfactory site visit.

NOTE: CCSP does not guarantee client referrals. CCSP clients always have choice of providers.

Community Care Services Program (DHS /DAS CCSP)

<http://www.aging.dhr.georgia.gov>
